Dear Dr. Lederberg:

Thank you for your concern over whether my manuscript was lost in the mail. At the time I originally wrote to you it was in Dr. Zelle's hands and I expected it back from him in a few days. He has not as yet returned it because he has been so busy with his two positions.

A couple of days ago I was advised by him that he expected to return it within the next week so I hope to send it to you within the near future.

Sincerely,

Edward J. Beckhorn
